

Quality Policy

Atria Property Services S.A. has developed and implements an **Integrated Management System**, which includes **Quality (Quality Management System)** in accordance with the requirements of the ISO 9001:2015 standard with scope: **«Provision of Project Management Services, Property Management Services, and Property Management Consulting Services».**

The Management of the company is committed to adhere to the Integrated Management System with consistency and with the aim of providing products and services of consistent and recognized quality. This Company Policy Statement is a commitment to comply with national laws, regulatory directives, the requirements of the standard and to continuously improve the effectiveness of the Integrated Management System. The company is committed to observe and fully implement the applicable legislation governing its operations.

For the effective implementation of the above, **Atria Property Services S.A.** establishes objective quality targets at all levels of its operations, the achievement of which are reviewed and evaluated by the Management, within the framework of the scheduled Reviews, of the Integrated Management System (IMS), with the ultimate goal of its continuous improvement.

The Management is committed to the continuous training of its employees for the continuous improvement of the Integrated Management System. The above policy applies to all activities of the company, is communicated, and made available both within the company and to stakeholders as appropriate and it is ensured that it is applied at all levels, with the main purpose of creating awareness of the Principles and Philosophy of the System.

The Company, through the unwavering commitment of the Management, to adherence to the principles set out in this Policy and, more generally, throughout the Company's Integrated Management System (IMS), looks forward to the continuous and steady growth of its business activity, as a by-product of satisfying the requirements of its customers and continuously increasing the quality of the products and services provided by the Company.
